2008 PILATUS PC-12/47E NG S/N 1013

SOLD

UNIQUE FEATURES

New 67P engine with PWC new engine warranty.

New Gogo AVANCE L3 Wifi system with an installed cost of \$120,000. Connectivity beginning at 3,000 feet and up to 25 devices at the same time with the highest upload and download speeds available for a turbine aircraft, allowing you to stream movies and seamlessly send and receive emails as well as text and voice calls.

PWC FAST solution captures, analyzes and wirelessly sends full-flight data and engine monitoring information to Pratt & Whitney within minutes of engine shutdown allowing engine health monitoring which maximizes aircraft availability, optimize maintenance planning and reduce operating costs.

AirText Iridium System installed.
